Case No. 07 CR 00009-001

CONSENT TO MODIFY CONDITIONS OF RELEASE

I, Claven Anderson, have discussed with Mertice Evans, Pretrial Services/Probation Officer, modification of my release as follows:

On February 8, 2007, I met with U.S. Pretrial Services Officer Mertice Evans in the District of New Jersey for his post release interview. At that time, I indicated he has bouts of anger and he would like to seek treatment for this problem. Therefore, the Pretrial Services Agency in the District of New Jersey is requesting that my bail be modified to include mental health testing and treatment as deemed necessary with all other conditions to remain in full effect. Pretrial Services has contacted the Assistant Federal Public Defender and she had no objections to the modification.

I consent to this modification of my release conditions and agree to abide by this modification.
